General Rate Increase – January 15th, 2010
Canada to Australia / New Zealand

Dear valued customers,

NVO Consolidators have been able to hold our Australia & New Zealand rates stable for all of 2009 despite the August GRI implemented by the carriers. Unfortunately these carriers have seen fit to implement another \$150.00/teu GRI and we have no alternative but to follow suit effective with sailings on/after **January 15th, 2010**.

Please see below our updated rates and surcharges ex Toronto and Montreal to all ports in Australia and New Zealand:

Ocean Freight	<i>US\$ 90.00 w/m (Sydney/Melbourne)</i> US\$ 105.00 w/m (Auckland)
BAF	<i>US\$ 29.00 w/m</i>
CAF	<i>4% (Applied on Ocean Freight)</i>
GRI	US\$ 5.00 w/m
Origin Handling (OHC)	<i>US\$ 8.00 w/m</i>

We appreciate your continued support and trust you understand that this adjustment is necessary.

Please feel free to contact us should you have any questions.

Regards,
NVO CONSOLIDATORS CANADA LTD
