

CONSOLIDATORS CANADA LTD.

WORLDWIDE OCEAN CONSOLIDATORS

May 2009

Very recently, we have come to an agreement with **Star-Ship Cargo Services** to join our mutual NVOCC forces between Canada and Australia. Star-Ship formed in 1991 as a "NEUTRAL" NVOCC to service local and overseas markets, and are acknowledged as a major player in the NVOCC industry. They have their own offices in Melbourne (Head Office) and Sydney and agents in Brisbane, Adelaide and Fremantle.

We have a weekly service ex Toronto/Montreal to Sydney & Melbourne (plus transshipment services to Brisbane & Adelaide).

Our present rate schedule to Sydney & Melbourne is as follows:

Ocean Freight.....US\$ 90.00 w/m (Min. same)
BAF.....US\$ 13.00 (Min. same)
OHC.....US\$ 8.00 (Min. same)
CAF.....*NIL*

NVO also offers a **5% Freight Forwarders Commission (FFC)** on **PREPAID** shipments (Min. US\$ 10.00).

Taking the commission into consideration, that gives NVO an overall rate of **US\$ 106.50 w/m (Minimum US\$ 101.00)**. In comparing this to the other NVO's in the Canadian market, our rates are *US\$ 15.50 w/m cheaper*. As of June 1st, our rate will be overall cheaper by US\$ 17.30 w/m (as the CAF is increasing from 10% to 12%, from the present 10%).

We are hoping that our new relationship with our agent in Australia, coupled with our rates/service, will encourage you to give our service a try.

If you have no objections, I would also like my agent, Star-Ship, to contact your agent in Australia. If this is acceptable to you, please provide your agent name and details so that I can pass it along.

I look forward to your response.

Kindest regards,

NVO Consolidators Canada Limited
